- Annex II Instructions to Applicants
- Annex III FINANCIAL PROPOSAL FORM
- Annex IV Individual Consultant General Terms and Conditions

Yours sincerely,

Khaled Shahwan
Deputy Special Representative
(Operations) – UNDP/PAPP

ANNEX I

Annex I Terms of Reference (TOR) Creative Graphics Design Specialist

A. Al Fakhoora Dynamic Futures Programme

B. Project Description

Al Fakhoora Dynamic Futures Programme aims at building a cadre of educated and trained leaders who are civic-minded, intellectually able, and professionally skilled to become the community, business, and national leaders of the future.

UNDP, through the Al-Fakhoora Dynamic Futures Programme, aims to provide opportunities for the Palestinian university-level students to actualize their professional and leadership potential by overcoming socioeconomic, political and cultural limitations. In addition to scholarships, the programme offers leadership trainings, students services, economic empowerment for the students or their families, academic advising and career guidance, and opportunities for civic engagement. The programme consists of two phases: the first started in 2009 and is expected to end by 2017, and a second phase started in 2014 and is expected to end by 2021.

The Programme aims at achieving the following outcomes:

- **Outcome 1:** Quality Education, including domestic undergraduate scholarships, and International postgraduate opportunities, as well as technical advisory work to support the improvement of quality education in Gaza;
 - 1.1: Domestic Undergraduate Scholarships: The Programme provides undergraduate post-secondary scholarships, covering tuition, books, and travel costs for the duration of their academic program. A total of 530 scholarships have been awarded and another 100 scholarship are expected to be awarded by 2017.
 - 1.2: International Postgraduate scholarships: The Programme will provide 70 international postgraduate scholarships, for programs up to one year long, in specialized areas currently not served by postgraduate programs in Gaza.
 - 1.3: Technical assistance for quality education: The Programme will support quality education enhancements in Palestinian higher education. to provide opportunities for responsive programming based on needs and opportunities related to enhancing quality education policy in Gaza.
- **Outcomes 2:** Student Affairs, including comprehensive support services to contribute to students' academic success and psychosocial support; such as Support for academic preparedness, Ongoing academic support and Psycho-social support.

IC-2018-PAL-0000049053

- **Outcome 3:** Leadership Development, including a comprehensive multi-stage training programme to empower students to become motivated civic leaders, with the ability to engage productively in the rebuilding of their societies and to provide leadership within and outside of their own communities.
- **Outcome 4:** Economic Empowerment, including work to bridge educational opportunities to success in professional life through career preparation, internships, networking, and opportunities for entrepreneurship and economic empowerment projects.

Al Fakhoora Dynamic Futures is funded by Al Fakhoora Programme, a Programme of Education Above All Foundation. The implementation is executed by the UNDP's Programme of Assistance to the Palestinian People (PAPP), based in Jerusalem, which is in turn represented by Al Fakhoora Dynamic Futures Programme Management Unit situated in Gaza.

E. Review and approvals required

Each Task would require review and approval from UNDP's Programme Management Unit to proceed with the payment.

F. Submission Deadlines:

- a) Failure to submit products by the deadline will lead to reducing 50 % of the task costing.

IC-2018-PAL-0000049053

G. Institutional Arrangement

- a) The individual consultant will directly work with UNDP Al-Fakhoora Dynamics Program Management Unit, and s/he will be directly responsible to, reporting to, seeking approval/acceptance of output from Program Manager.
- b) The individual consultant should prepare reports according to the listed deliverables above. The reports should be prepared according to the standards and professional formats.
- c) The individual consultant should present the institutional development plan for UNDP PMU and local partners.
- d) The individual consultant will liaise/interact/collaborate/meet with UNDP PMU, UNDP local partners and donor's representatives (if necessary).
- e) The individual consultant shall provide open-source files (for all produced materials) and JPEG/PNG exports formats

H. Duration and timeframe of the Work

- a) The duration of contract is **Six-month**, and the duration of performing each deliverable illustrated in detail at section E (Expected outputs and deliverables).
- b) The effective working days for the overall assignment is up to **80 working days**. The identified working days and the identified sub-assignments will be assigned to the contracted individual consultant by UNDP PMU.
- c) UNDP PMU and Program Implementing Partners have (2 – 3 days) lead time for each deliverable to review outputs, give comments, and certify approval/acceptance of outputs.

I. Duty Station

- a) The individual consultant will work on his/her own duty station.

J. Qualifications of the Successful Individual Consultant

The consultant should demonstrate expertise in Graphics design

- At least 5 years of experience in design and layout work;
- Strong theoretical and practical background in graphic design, including the use of design software such as Adobe In-Design, Illustrator, Photoshop and Cinema 4D, 3DMAX and web design tools such as Adobe Dreamweaver and Flash, etc.
- Show a clear and mature style of design, demonstrating an understanding of the communication requirements of a UN agency.
- Proven experience of graphic production from start to published/printed product with knowledge of printing processes (offset and digital) and colour management;
- Good understanding of new and evolving technologies and digital platforms;
- Working experience in development or humanitarian environment is desirable

IC-2018-PAL-0000049053

K. Scope of Price Proposal and Schedule of Payments

The individual consultant must submit the financial proposal that include his/her **Daily Fee** (knowing that UNDP will pay to contracted individual consultant according to assigned working days for each sub-assignment) knowing that:

- i) The daily fee must be “all-inclusive¹”; and
- ii) An individual consultant Time Sheet must be submitted by the individual consultant, duly approved by the UNDP program manager, which shall serve as the basis for the payment of fees.

¹ The term “All inclusive” implies that all costs (professional fees, travel costs, living allowances, communications, consumables, etc.) that could possibly be incurred by the Contractor are already factored into the final amounts submitted in the proposal

IC-2018-PAL-0000049053

ANNEX II INSTRUCTIONS TO APPLICANTS

1. Introduction

UNDP/PAPP seeks technical proposals from qualified individual consultants to provide Fakhoora Monitoring and Evaluation Specialist Assignment

2. Documents comprising the Technical and Financial Proposal

Interested individual consultant must submit the following documents/information, which comprises the Technical and Financial Proposal:

- a) Duly accomplished **Letter of Confirmation of Interest and Availability** using the template provided by UNDP;
- b) **Personal CV**, indicating all past experience from similar projects, as well as the contact details (email and telephone number) of the Consultant;
- c) **Brief description** of why the individual considers him/herself as the most suitable for the assignment, and a methodology, if applicable, on how he/she will approach and complete the assignment. A methodology is recommended for intellectual services, but may be omitted for support services *[Note: this is optional for support services]*;
- d) **Financial Proposal** that indicates his/her **Daily Fee** that including all costs to perform the required services, found under Annex III

3. Evaluation

Preliminary examination

UNDP/PAPP will examine the Proposals to determine whether they are complete, and whether they are substantially responsive to the qualification and experience minimum requirements. A Proposal determined as not substantially responsive will be rejected by UNDP/PAPP and may not subsequently be made responsive by the Applicant by correction of the non-conformity.

Detailed examination

A two-stage procedure is utilized in evaluating the proposals, with evaluation of the technical proposals **prior to any financial proposal being opened and compared**.

The technical proposals are evaluated on the basis of its responsiveness to the Terms of Reference (TOR).

Below please find the evaluation form for the technical proposals. The obtainable number of points specified for each evaluation criterion indicates the relative significance of weight of the item in the overall evaluation process.
